

**öztiryakiler | ozti**

**Company Profile**

## Chairman's Message

"We carry out our activities with the awareness of "Respect, Love, Loyalty, Sincerity, Responsibility". We understand the needs and expectations of the customers correctly at the first time and fulfil their requirements in accordance with national and international standards.

We desire to be the pioneer in innovations while we comply with the basic values constituting the sustainability of our Industrial Kitchen story, environmental and legal regulations, occupational health and safety, human rights and global ethical values.

We are conscious of our business continuity along with our company goals in accordance with the code of ethics appropriate to our corporate philosophy."

**Yusuf ÖZTİRYAKI**  
Board Chairman

**"Do Not Limit  
Your Dreams"**

# From Past To Future

Muharrem Öztiryaki started his business life in the 1930's in a small copper shop in his hometown Bolu Gerede. In the year 1940, he decided to move his business to Istanbul into a small shop in Oldtown. After a while, his sons; Aydoğın, Yusuf and Tahsin involved in the business and focused on the needs of local market. These were the very first steps to the success story of Öztiryakiler.

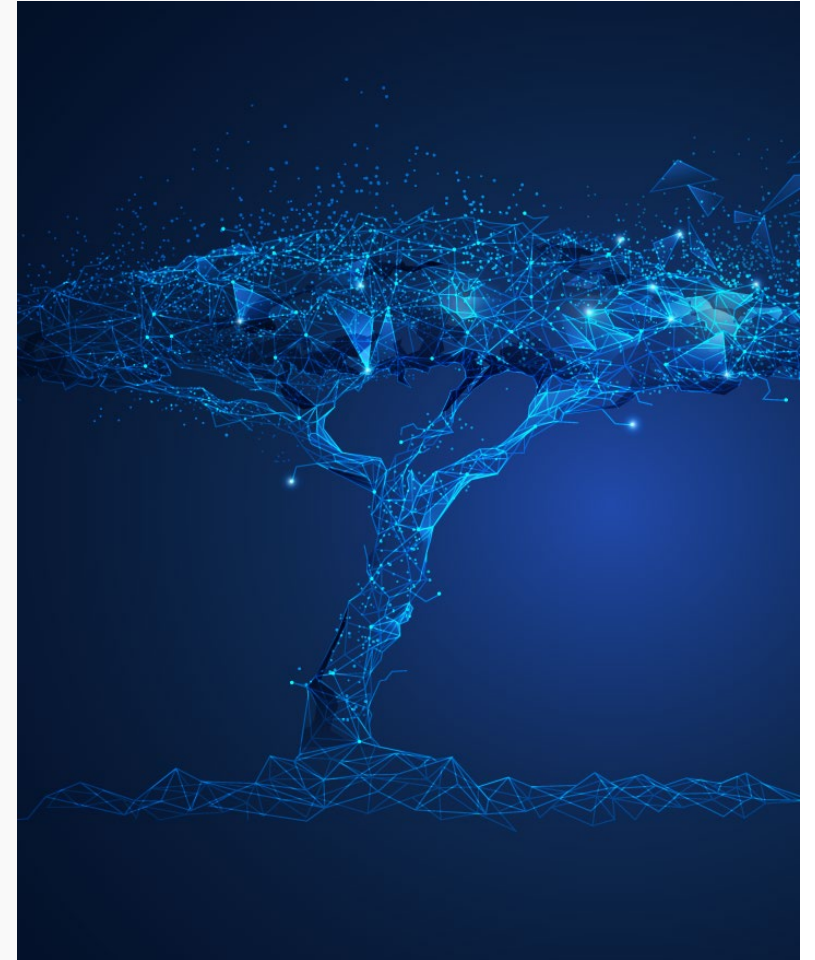

Today, Öztiryakiler is the leading company in its sector with more than 400 local and foreign distributors and aftersales service providers. By December 2019, Öztiryakiler has become a partner of **HOSHIZAKI CORPORATION**, one of the top three manufacturers of kitchen equipments in the World. The joint of the two leading companies strength and experience has resulted with better products and better customer satisfaction.

## OUR VISION

To be a customer-oriented, human and environmentally sensitive, technological, quality and innovative leader brand in the industrial kitchen sector.

## OUR MISSION

With all our Employees;  
To meet customer expectations at the maximum level.  
To ensure continuity in quality and service.  
To provide continuous added value to society and the environment.

**öztiryakiler**

**HOSHIZAKI**

We are proud to be a partner of  
**HOSHIZAKI CORPORATION**

---

- To use modern production techniques
- To provide continuity in design, research and development activities
- To carry out effective market researches
- To provide and expand after sales services

## Management System Certificates

## Quality Certificates

# PRODUCT OVERVIEW

# MAIN KITCHEN EQUIPMENTS

# Catering Equipments

## Hygiene

- Monoblock cooktop
- Max heat retention
- Fat collection
- Splash guards

## Performance

- Pilot light in each burner
- Brass burners
- High power output

## Safety

- Flame failure safety
- Overheat protection
- Safety thermostats
- Safety valves

# Refrigeration

## Hygiene

- Radiused Inner Liners
- Curved Base Corners
- Washable Interior
- High Quality Stainless Steel
- Removable Gaskets
- Heavy Duty Runners

## Miscellaneous

- Integrated Lock
- Flexibility
- HACCP Digital Control Panel
- BMS Compatible

## Performance

- Mono – block Refrigeration Unit
- Tropicalized Cooling System
- Intelligent Defrost System
- Wire – Frame Special Condenser
- Homogenous Air Circulation
- Hidden Evaporator

## Energy Saving

- 80mm Insulated Walls
- Automatic Fan Cut-Out Switch
- Internal Led Light
- Self Closing Doors

# Premier Line Refrigerators

## Performance

- Mono – block Refrigeration Unit
- Tropicalized Cooling System
- Intelligent Defrost System
- Wire – Frame Special Condenser
- Homogenous Air Circulation
- Hidden Evaporator

## Energy Saving

- 80mm Insulated Walls
- Automatic Fan Cut-Out Switch
- Internal Led Light
- Self Closing Doors

# Preparation Equipments

## Hygiene

S/S Bowl, safety guard, mixing tools  
Non-clogging filters  
HACCP compliance  
Easy to clean

## Performance

Inverter drive  
Noise and vibration free  
Robust  
Wider cycle scale

## Safety

Safety guard switch  
Mechanical lift  
Thermic protected engines  
Self balancing

### Performance

10-inch Touch-Sensitive Control panel

Powerful Steam

Free Cooking

Intelligent Tray Feature

Heating System

High Capacity

### Hygiene

High Quality Stainless Steel

Automatic Washing Mode

Radiused Inner Liners

Curved Base Corners

Automatic drainage
